PLEASE READ CAREFULLY: Adopting a pet is a serious responsibility. A dog/cat you adopt today will likely be a part of your family for the next 10 to 15 years. Each pet has its own personality and preferences that you can help shape through love and conscientious training. A dog makes considerable demands on your time and resources. Dog owners need to spend time walking, grooming, training, and playing with their pet every day. Some may require professional grooming. Dogs require special food and regular Veterinary care including shots and preventive medications for Heartworm and fleas. In some cases expenses could exceed \$1000 a year.

Are you prepared to accept the financial and personal responsibility for a pet? Yes No

SPAY/NEUTER (MANDATORY IF NOT ALREADY SPAYED/NEUTERED)

I certify that I will have the pet spayed/neutered (if a puppy, by 6 months old) and will provide a written statement from the veterinarian within 10 days of surgery to the Rescue Contact below. I also understand the cost of the surgery performed by my veterinarian will be at my expense.

I certify that all the above information is true and correct. I agree to and will adhere to the adoption policies. I agree to pay the current adoption donation of **\$175.00** and to provide care for the dog for the remainder of its lifetime. A representative of the rescue will be allowed to have periodic visitation during the first year of adoption (by appointment only). If at anytime I can no longer care for the dog, it must be returned the Rescue Contact and directly to the rescue; the dog is NEVER to be left at the shelter. However I understand that **no refund** will be provided.
